

NOTICE TO INDUSTRY

Inspection Cut-Off Time

EFFECTIVE IMMEDIATELY!

As we work to optimize our use of third-party services and improve our operations, the City of Cape Coral is making an adjustment to the cut-off time for scheduling inspections. Starting Thursday, December 12, 2024, the new cut-off time for scheduling inspections will be 2:00 p.m.

Every decision made by the City of Cape Coral Department of Development Services is carefully considered. We kindly ask that you schedule inspections before this time to ensure they can be processed on the next available business day.

Thank you for your understanding and cooperation.
