1. Red Hold Bar: does NOT mean the permit is on hold and does NOT prevent the permit from progressing. The hold is just for awareness. Click the "Hold" button to see more details (flood zone, species restriction, etc.)
2. Status: this is the permit status
 - a. Submitted Online: permit has been received in Energov, but not yet processed by Permitting CSRs
 - b. In Review: the permit has been processed by CSRs and sent to the Plans Examiners for review
 - c. Resubmit Required: further information or documents are needed. Click the "Reviews" tab for more details, then click the "Attachments" tab to upload the required documents.
 - d. Approved: all reviews have passed and the permit is soon to be invoiced and issued
 - e. Issued: the permit is issued

- f. Expired: the permit has expired and an extension form must be submitted to continue with work
 - g. Closed: the permit is complete and no longer active. All inspections have passed, and all fees have been paid
3. Applied Date: the date the applicant submitted the permit application. For SFR permits, the statutory 30 business days is calculated from this date
 4. Workflow: shows completed, current, and future steps/activities of the permit
 5. Available Actions: quick links to resubmit files, schedule inspections, and pay fees
 6. Fees: At-a-glance summary of fees due. When fees are due, the "Add to Cart" button will appear and will take you to the checkout page
