

NOTICE TO INDUSTRY

DRAFT CITY OF CAPE CORAL ENGINEERING DESIGN STANDARDS - 2026

The City of Cape Coral Department of Public Works has completed revisions to the City Engineering Design Standards (EDS). These revisions can be found and reviewed at

https://www.capecoral.gov/departments/public_works/capital_improvements/engineering_design_standards_public_works.php

The City will be soliciting comments related to the draft document from June 24, 2026 to August 24, 2026.

All revisions are highlighted in yellow or marked with revision clouds.

Comments, questions, and concerns should be directed to Charles Parish at cparish@capecoral.gov.

Once the document has been finalized it will require City Council action.
