Changes in Union dues shall be similarly reported to City, with notification at least one month in advance of the anticipated effective date of any such changes. This section shall remain in effect until a successor agreement has been ratified by the parties.

Section 3 – Deduction Methodology

Dues shall be deducted bi-weekly, except for the third paycheck from months where there are three (3) bi-weekly payroll period endings. The deducted monies shall be remitted to Union's Secretary within thirty (30) calendar days of the last pay period of the month. Union will indemnify, defend and hold City harmless against any claims made, and against any suits instituted, against City on account of the deduction of Union dues.

Union representatives, as designated by the Union's Executive Committee, shall be permitted to represent members, without loss of pay, in administrative matters and grievances concerning the interpretation or application of this Agreement.

Section 4 – Time Pool

Donations exceeding six (6) hours will be ratified by a majority vote of the Union's membership. Donations to the time pool shall be from "Current Hours Earned" (as opposed to "Previous Hours Earned") and shall be considered part of an employee's use of the minimum hours of annual leave required by Article 15, Section 1 of this Article. Donations to the time pool shall be taken from the first bi-weekly payroll check to be received in January. Written notice of any change in the number of annual leave hours to be donated shall be provided to City by Union's President or designee no later than December 1st.

Section 1 – Bulletin Board

Union shall be provided with complete use of a suitable bulletin board designated by the Police Chief in any City building where employees are employed. Union shall use bulletin board(s) for the purposes of posting notices on Union meetings, elections, reports of Union committees, rulings and policies of Union, and recreational and social affairs of Union. Departmental Seniority shall be used in reduction of personnel due to layoff, demotion due to layoff, and recall from layoff.

Layoff or demotion due to layoff shall be made in inverse order of Departmental Seniority. In the event that Departmental Seniority is equal between or among employees, City Seniority shall be used to determine the senior employee. Recall shall be in reverse order of layoff. No new employees shall be hired until all employees on layoff have been offered an opportunity to return to work.

Section 3 – Classification Seniority

Each employee shall have Classification Seniority based on the employee's first day of current continuous employment in his/her classification.

Classification Seniority shall be used for determining leave preference. In addition to leave preference, classification seniority shall also be used to determine the sergeant rotation list for overtime as described in Article 12. Once a sergeant has accepted an overtime shift of at least eight (8) hours they will be rotated (moved) to the bottom of the list.

In the event that Classification Seniority in a specific classification is equal between or among employees, Departmental Seniority shall be used to determine the senior employee.

Section 4 – Initial Probation

Initial probation shall begin twelve (12) months - three hundred sixty-five (365) days from the date of swearing-in. The Chief of Police or his/her designee shall have the option of extending this initial period of probation for any period of time equal to or less than that which the new employee served. - (b) Retirement;
- (c) Termination for just cause;
- (d) Layoff exceeding eighteen (18) months;

- (g) Failure to report for work within fourteen (14) calendar days from the receipt of a letter of recall from layoff.

Article 9

Discipline

Section 1 – Discipline

The provisions of the Florida Statutes, Section 112.531, through 112.534 (law enforcement officer bill of rights) et seq., or as amended from time to time by Florida Legislature, shall herein be incorporated as if those provisions were fully set forth in this Agreement, and shall be applicable to all employees. All informal disciplinary procedures shall be in accordance with the Cape Coral Police Department's Ethical Standards of Conduct Procedural Manual (i.e., Manual 1).

Section 2 – Formal Discipline

Forms of punitive discipline utilized by the City with the approval of the Police Chief shall include:

Section 3 – Progressive Discipline

Progressive corrective action shall be applied based on the severity of the offense.

Section 4 – Prospective Suspensions of Law Enforcement Certifications

Any bargaining unit member that has a case before the Florida Department of Law Enforcement Criminal Justice Standards and Training Commission (FDLE-CJSTC) where the FDLE-CJSTC imposes a "Prospective Suspension" of the bargaining unit members certification which does not exceed ninety (90) days the parties agree that the bargaining unit member shall be afforded the opportunity to offset said prospective suspension by the employee using accrued annual leave and/or requesting pay out of compensatory time.

Article 10

Grievance Procedure

Section 1 – Grievance Procedure

In a mutual effort to provide harmonious working relations between the parties to this Agreement, the parties agree that there shall be a procedure for the resolution of grievances arising from the application or interpretation of this Agreement.

Discipline that results in time off, a loss of pay, or benefits will be subject to mediation or arbitration.

Any and all disciplinary action taken against an employee or class of employees shall be for just cause and shall be subject to the grievance procedure.

If any deadline provided in this article falls on a weekend or holiday, the deadline shall be extended to the next business day.

Grievances shall be processed as follows:

Step 1

Prior to the aggrieved employee completing a Written Grievance Form (Appendix III of this Agreement), the grievance shall be referred to a Pre-Grievance Meeting for possible resolution. The grievance must be submitted to the Pre-Grievance Meeting within ten (10) calendar days of either the event causing the grievance or when the aggrieved employee becomes aware of such event. Upon conclusion of the Pre-Grievance Meeting, if a resolution has not been achieved, then the aggrieved employee will complete the Written Grievance Form and submit to his/her bureau commander. The grievance must be specific, identifying the incident, event and details and not just quoting the article of the contract.

The Written Grievance Form must be submitted to the employee's bureau commander within ten (10) calendar days of the conclusion of the Pre-Grievance Meeting in which the relevant grievance was discussed.

The bureau commander may seek the assistance of any other individual who may offer assistance or information which will aid the supervisor to reach a decision. The bureau commander shall attempt to adjust the matter and shall respond to the employee within ten (10) calendar days.

Step 2

Grievances not resolved at Step 1 shall be presented to the Police Chief within ten (10) calendar days of the decision rendered at Step 1. A "class action" grievance filed by the Union on behalf of more than one (1) employee, shall be presented to the Police Chief within ten (10) calendar days of the event causing the grievance or within ten (10) calendar days of when either the aggrieved employee or Union becomes aware of such event.

The Police Chief or his/her designee shall render a decision in writing within ten (10) calendar days from the date the grievance was presented.

Grievances filed regarding discipline issued by the Police Chief will begin at Step 2. By mutual agreement between the Police Chief and the Union, the parties may immediately advance the

grievance to Step 3.

Step 3

If the grievance is not satisfactorily resolved at Step 2, the written grievance shall be presented to the City Manager within ten (10) calendar days of the decision rendered at Step 2. The City Manager or his/her designee shall render a decision in writing within ten (10) calendar days from the date the grievance was presented.

Mediation

By mutual agreement, the parties may submit the grievance to mediation, to be conducted by the Federal Mediation and Conciliation Service (FMCS), prior to invoking arbitration. If the parties agree to mediate, the time limits for giving notice of intent to arbitrate shall be extended until such time as mediation is concluded.

Arbitration

If the grievance is not satisfactorily resolved at Step 3, Union shall give notice of intent to arbitrate within (10) calendar days of the decision rendered at Step 3. The notice must be served upon City's Human Resources Director and concurrently filed with the Federal Mediation and Conciliation Service for a panel of seven (7) qualified arbitrators.

An arbitrator shall be selected from the panel by the alternate striking of names with the party making the first strike to be determined by the toss of a coin. Either party shall have the opportunity to reject one panel of arbitrators in its entirety.

The arbitrator shall have no power to add to, subtract from, modify, or alter the terms of this Agreement, but shall determine only whether or not there has been a violation of the Agreement as alleged in the grievance. The decision of the arbitrator shall be based upon the evidence and arguments presented. The arbitrator shall render a decision not later than thirty (30) calendar days after the conclusion of the final hearing. The arbitrator's decision shall be in writing and shall set forth the arbitrator's opinions and conclusions on the issues submitted. Findings of the arbitrator made in accordance with the jurisdictional authority of this Article shall be final and binding on both parties.

This Agreement constitutes a contract between the parties which shall be interpreted and applied by the parties and the arbitrator in the same manner as any other contract under the laws of the State of Florida. The function and purpose of the arbitrator is to determine disputed interpretations of terms found in the Agreement or to determine disputed facts upon which the Agreement's application will depend. The arbitrator shall not have the authority to decide any issue not submitted by the parties, nor to interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction.

The compensation and expenses associated with any arbitration hearing, including attorney fees, shall be borne by the losing party as determined by the Arbitrator. In the event of a compromise award (neither party prevails on all issues), the costs of the services of the Arbitrator shall be borne equally by the parties, however, each party shall bear its own expenses, including attorney's fees.

Section 2 – General Provisions

(a) During his/her initial probation (see Article 8, Section 4), an employee shall have the rights of the

grievance procedure only for disciplinary matters and only through Step 2. Time limits in this Article may be lengthened or shortened by the agreement of the parties.

- (b) If the ten (10) calendar day time limit for a grievance response is not met by the immediate supervisor, the Police Chief or his/her designee, or the City Manager or his/her designee, it shall be assumed that the response is in the negative and the next step in the grievance procedure shall be instituted.
- (c) Union will be required to represent only those employees who are members of Union.

Article 11
Hours of Work, Overtime Pay and Compensatory Leave

Section 1 – Hours of Work, Overtime Pay and Compensatory Leave

Employees shall be paid for all hours worked. Overtime pay and compensatory leave shall be calculated on a fourteen (14) calendar day work cycle of eighty (80) hours in accordance with the Fair Labor Standards Act. The workweek will begin on Saturday and end on Friday. Once begun, the workweek shall not be altered solely to avoid the payment of overtime. Employees who are covered by this agreement shall receive no less than 7 days' notice prior to any change to their normal work hours. Management reserves the right to provide less than 7 days' notice prior to any change to an Employee's normal work hours if exigent circumstances, such as a natural disaster or other unforeseen event, should require an immediate change.

Employees shall have the option of accepting compensatory time off for overtime worked. If compensatory time is accepted by the employee, it shall be paid at time and one half the overtime hours worked. Employees shall be allowed to accrue up to a maximum of two hundred and fifty (250) hours of compensatory time. Employees may carry over up to a maximum of fifty (50) compensatory hours into the new fiscal year. As of September 30th of each year, an employee shall be paid for all compensatory time in excess of fifty hours at the employee's hourly rate of pay. This payment shall be made by the end of October.

Grant-Funded overtime shall not be eligible for compensatory time off.

Employees who have used compensatory time within a pay-period shall not be eligible to earn additional compensatory time pursuant to this section, until the hours worked exceeds the employee's regular hours of duty (eighty (80) hours) within the same pay-period. For purposes of the compensatory leave provisions herein, compensatory time, leave time with or without pay, holidays, bereavement, military leave, workers' compensation, jury duty, and all other hours paid by specification are not considered "hours worked" except that the safety day and fitness assessment hours shall be eligible for compensatory time off.

B. Bargaining unit employees whose date of employment is on or before October 1, 2003, Tier One (1), shall be entitled to group health and life insurance benefits upon retirement from the City only if they have been continuously employed by the City for more than five (5) years. In order to participate in the City's group health insurance program, bargaining unit retirees and employees who retire pursuant to this section must sign up for coverage under Medicare Parts A and B as soon as they become eligible. In addition to paying the cost of retiree group health and life insurance, the City shall provide a monthly subsidy to retirees covered under this section equal to the cost of Medicare Part B coverage.

Present bargaining unit retirees and employees who become eligible to retire pursuant to this section shall also be entitled to group life insurance benefits equal to twice the amount of their annual base salary at the time of retirement from the City.

Proof of other individual or group coverage must be provided annually up until they become Medicare eligible. The amount of the subsidy shall be determined by multiplying the employee's years of service at retirement times fifteen dollars and ten cents (\$15.10) as of January 1, 2025. In the event the City's group health benefit cost doesn't increase in any given year, then the monthly subsidy amount and the minimum and maximum subsidy amounts shall remain the same as they were the previous year. In order to continue to receive the subsidy, bargaining unit employees who retire pursuant to this section must sign up for coverage under Medicare Parts A and B as soon as they become eligible.

The normal retirement age is the earlier of age 52 and 10 years of credited service or 27 years of credited service regardless of age.

A maximum monthly benefit cap of \$7,917.00, exclusive of cost-of-living adjustments is instituted.

Cost of living adjustments shall commence on October 1st following three complete years of retirement income payments. The cost-of-living increase shall equal 3% and the first payment shall be prorated according to the number of months the member retired prior to October after being retired for three years as outlined in City of Cape Coral Code of Ordinances Chapter 2 Administration, Article VI Pension, Division 1 Police Pension § 2-121.6.

- (e) For bargaining unit employees who retire prior to October 1, 2022, a maximum monthly benefit cap of \$7,917.00, exclusive of cost-of-living adjustments is instituted.

For bargaining unit employees who retire on or after October 1, 2022, each year the Retirement Plan is at least eighty percent (80%) funded in accordance with the annual actuarial report, the benefit cap shall be increased by a one percent (1%) index. The maximum monthly benefit cap shall be permitted to exceed \$8,750.00, (\$105,000 annually) exclusive of cost-of-living adjustments, provided that the Union bears the full cost of exceeding the \$105,000 annual cap. In the event the Union does not fully fund the cost associated with exceeding the \$105,000 cap, such cap shall be immediately reinstated.

- (g) Upon ratification of this agreement by both parties and the subsequent enactment of any necessary amended City Ordinance, the following changes to the retirement plan shall be effective for all current and future members of the Retirement Plan.

Share Plan - A Share Plan will be created for all current active (non-DROP) members as of the effective date. The details of the Share Plan are as follows:

- (a) On the effective date, the parties mutually consent to allocate the current Excess State Monies Reserve (\$1,653,313.62) into Share Plan accounts for each active Police Officer.
- (b) The initial allocation of the Excess State Monies Reserve to individuals will be based upon the ratio of an officer's completed years of service accrued between October 1, 2006 and September 30, 2016 relative to the total number of years of service completed by all current active members during that same timeframe. For this purpose, an active member includes a member who is currently in the DROP program.
- (c) Future State Monies allocations into the Share Plan will be split evenly for all officers earning a full share during that year.
- (d) Vesting in Share Plan balances will be in accordance with the Vesting schedule outlined in the Ordinance. Members who terminate will have their unvested balances reallocated evenly to all other active Members who earned a share during the year that the terminating member leaves.

- (e) When a vested member terminates, they will be eligible to receive their Share Plan benefit immediately. However, only 80% of the Share Plan balance from the prior year will be distributed at the time of termination. The remainder will be distributed once the current year's interest has been determined. A member will receive pro-rata simple interest based upon the number of days worked during the fiscal year in the year of termination. Interest will be allocated annually.
- (f) Each member will receive one share for a full fiscal year of continuous service. No shares will be earned by the member during the year of hire or termination unless the officer was hired on October 1 or terminated on September 30th.
- (g) Service time that is purchased for time worked at a different Police department will not be eligible to receive shares.
- (h) Employees may participate in the DROP for up to ninety-six (96) months. Such election may be utilization of BAC-DROP, DROP, or a combination of the two equaling no more than ninety-six (96) months.

Future State Monies – The parties mutually consent to allocate the first \$1,200,000 of State Premium Tax Monies to the City for purposes of offsetting its funding requirements. This base amount will not increase in the future regardless of the amount of State Monies received.

A one-time, ad-hoc COLA will be provided to all disability retirees who are retired as of the effective date at the rate of 2% per year for each year the disabled member has been retired. This benefit will be funded by allowing the City an additional allotment of State Monies annually. For 2017, the cost of this benefit is \$40,924. This amount will increase by 3% per year annually. So, for 2017, the City will be able to utilize \$1,240,924 in State Monies, if received, to offset its funding requirements. Any State Monies received in excess of this amount will be allocated to the Share Plan. In 2018, the City will be able to utilize up to \$1,242,152 ($\$1,200,000 + 40,924 * 1.03$) to offset its requirements, and any excesses will be deposited into the Share Plan and allocated in accordance with (c) above.

The Share Plan section and retirement disability COLA is contingent upon the City's receipt of future 185 monies.

Degree programs must be designed to enhance the knowledge, skills, and abilities relating to the official

duties that the employee performs, or for a promotional position. There are no positions within the Police Department that require a Doctorate degree. Therefore, the City will not reimburse employees for any courses that are taken as part of a Doctoral degree program.

A maximum of four thousand five hundred dollars (\$4,500) for books and tuition reimbursement per employee will be authorized per fiscal year (October 1 through September 30). Each fiscal year, funds allocated to the Police Department to support the City's educational reimbursement program, will appear as a department line item in the adopted budget approved by City Council. These designated funds will serve as a cap for the fiscal year. The Department shall adhere to the provision of the City of Cape Coral Administrative Regulation governing educational reimbursement.

100% for a grade of "C" or better.

75% for a grade of "B", and
50% for a grade of "C"

No reimbursement will be made for grades below "C", incomplete, or withdrawal

Prior to starting any courses all employees shall submit the Educational Reimbursement Request Form as provided for in the City of Cape Coral Administrative Regulation governing educational reimbursement along with a copy of the course description to the Police Chief. Employees seeking reimbursement for tuition and book expenses must submit to Human Resources an original transcript of their grades and original itemized receipts for tuition and books within thirty (30) days of availability of the transcript in order to be eligible for reimbursement.

Initial approval of courses does not obligate the City to future/continued approval of courses in the degree program. Approvals are only valid for the course and semester requested. Miscellaneous expenses such as supplies, taxes, late fees, and voluntary dues and fees are not reimbursable.

Reimbursement under this policy will be reduced by any other financial aid that does not have to be repaid such as grants, scholarships, or tuition discounts. There may be tax consequences or imputed income to employees participating in this program.

If an employee voluntarily terminates employment within one (1) year of receiving an education reimbursement, the employee shall immediately refund the reimbursement to City. If the employee fails to do so in a reasonable period of time, City may deduct the amount of the reimbursement from any monies that may be due the employee upon termination.

All employees will be automatically enrolled in the physical examination process. Employees who wish to opt-out of the physical examination process must notify the Professional Standards Bureau Commander no later than January 31st of their respective year.

Employees who have been scheduled for a physical examination, and who have not opted out, shall attend all appointments and follow-up appointments. Unexcused absences from appointments may result in corrective action.

Those medical standards may include:

Mammograms at any age
Immunizations and Infectious Disease tests and vaccines
Tetanus or Tetanus booster (as needed)

All records obtained via the physical examination shall be kept confidential between the Health care provider and the employee in accordance with HIPAA laws.

Section 2 – Drug Free Workplace Program

The City and Union are committed to protecting citizens, visitors and fellow employees from potential property damage, significant injury and loss of life due to an employee's use or abuse of alcohol and drugs. The program is intended to prevent the hiring of drug users, to detect users and remove abusers of drugs and alcohol from the workplace, to prevent the use and/or presence of these substances in the workplace and to assist employees who volunteer they have an alcohol and/or drug problem provided the employee has not previously tested positive for alcohol and/or drug use.

Every sworn employee shall be subject to random urine drug testing. The drug testing procedure utilized will be within FDLE (CJSTC) procedures as outlined in the applicable FAC currently 11B-27.00225 a 7-panel test or as amended from time to time by the Florida Legislature. Each employee will be randomly selected for testing by employee number and will be selected through

the use of a computerized random number generator or other neutral selection process. The City of Cape Coral Risk Management Division will perform this randomized selection. No employee shall be randomly selected more than four (4) times within one (1) calendar year. All disciplinary matters relating to the abuse of alcohol and/or drugs will be handled in strict compliance with all applicable City of Cape Coral policies and procedures.

Section 3 – Rehabilitation – Alcohol

- (a) Any sworn employee who fails an alcohol test will be provided rehabilitation under the terms of the City's Employee Assistance Plan. Upon successful completion of a rehabilitation program, the employee will be returned to a sworn position.
- (b) Voluntary Rehabilitation Program. Employees are encouraged to come forward at any time prior to being selected for testing and identify that they have an alcohol problem. If the employee volunteers that he/she has an alcohol problem to his/her immediate supervisor, Chief of Police, Human Resources Director, he/she will be provided rehabilitation under the terms of the City's Major Medical Plan/Employee Assistance Plan.

The rehabilitation program will be approved by the Employee Assistance Plan (or other agency if the Employee Assistance Plan is no longer available). The employee may request that a specific rehabilitation program be used provided the program meets those same standards, but additional cost, if any, shall be paid by the employee.

Employees who fail to meet the requirements of the rehabilitation program (i.e. refusing to submit to alcohol testing in accordance with the program outline and/or missing repeated meetings), shall be subject to discipline, up to and including discharge termination.

The rehabilitation program administrator will determine when an employee has successfully completed rehabilitation, but at no time will the total rehabilitation process last longer than six (6) months from the time the employee volunteers for the program.

Once the employee has been released by the program administrator to return to work and the employee is successfully placed in a sworn position, the employee will be subject to follow-up testing in order to ensure that the employee has been successfully rehabilitated. As part of the follow-up testing process, the City may require the employee to submit to no more than four (4) unannounced drug alcohol tests for a one (1) year period, with no more than one (1) unannounced test per quarter. If during this time, the employee tests positive, he/she will be subject to dismissal.

Section 4 – Rehabilitation – Drugs (other than those lawfully prescribed by the employee's physician)

- (a) Any sworn employee who tests positive on a random urine drug test will be disciplined per the general order and can enter into a "last chance" agreement if applicable (Appendix IV). Upon successfully completing the rehabilitation program, the employee may be reassigned to a non-sworn position in the City's workforce, based upon position availability and employee qualification.
- (b) Voluntary Rehabilitation Program. Employees are encouraged to come forward at any time prior to being selected for testing and identify that they have a substance abuse problem. If the employee volunteers that he/she has a substance abuse problem to his/her immediate supervisor, Chief of Police, Human Resources Director, he/she will be provided rehabilitation under the terms of the City's Major Medical Plan/Employee Assistance Plan.

The rehabilitation program will be approved by the Employee Assistance Plan (or other agency if the Employee Assistance Plan is no longer available). The employee may request that a specific

rehabilitation program be used provided the program meets those same standards, but additional cost, if any, shall be paid by the employee.

Employees who fail to meet the requirements of the rehabilitation program (i.e. refusing to take drug tests in accordance with the program outline and/or missing repeated meetings), shall be subject to discipline, up to and including discharge termination.

The rehabilitation program administrator will determine when an employee has successfully completed rehabilitation, but at no time will the total rehabilitation process last longer than six (6) months from the time the employee volunteers for the program.

Once the employee has been released by the program administrator to return to work and the employee is successfully placed in a non-sworn position, the employee will be subject to follow-up testing in order to ensure that the employee has been successfully rehabilitated. As part of the follow-up testing process, the City may require the employee to submit to no more than four (4) unannounced drug tests for a one (1) year period, with no more than one (1) unannounced test per quarter. If during this time, the employee tests positive, he/she will be subject to dismissal.

Section 5 – Prescribed Drugs

The City understands it may be medically necessary for an employee to take medication prescribed by a physician. It is the employee's responsibility and obligation to determine, by consulting a physician, if necessary, whether or not a medication may affect or impair his/her ability to safely and efficiently perform his/her job duties. If an employee is taking medication that may affect or impair judgment, coordination, and/or the employee's ability to perform the essential functions of his/her job, or that may cause the employee to become a direct threat to the safety and welfare of himself/herself or others, the employee must immediately report such use to his/her supervisor. For example, if a law enforcement officer is taking medication that may affect or impair his/her ability to safely use a firearm, he/she must report this to his/her supervisor.

Upon receiving such report, the supervisor shall attempt to find the employee an appropriate alternative assignment for the duration of the affect or impairment. If no alternative assignment is available, the employee may take leave if available or be placed on a leave of absence or take other steps consistent with the advice of a physician.

If an employee is taking prescription drugs that were not prescribed to him/her by a physician, or if the employee is abusing prescription drugs, such use will be handled as described in Section 4 – Rehabilitation – Drugs. The City retains the right to test for prescription drug abuse in accordance with the City's Drug Free Workplace Program.

An employee who self-reports the properly prescribed usage of prescription drugs which affect or impair his/her ability to safely and efficiently perform his/her job duties shall not be subject to disciplinary action. If, however, an employee fails to properly report any such use, the employee may be disciplined in accordance with the applicable City policy, up to and including termination.

Section 6 – Follow-up

The program administrator will inform the Human Resources Director/Designee (i.e. Risk Manager) of the employee's progress and test results, but all records, correspondence, etc. shall remain confidential and shall be maintained outside the employee's personnel file.

An employee who has previously completed an alcohol/drug abuse rehabilitation program WILL NOT be eligible for a second rehabilitation program.

Employees who voluntarily enter alcohol/substance abuse rehabilitation shall complete the following Rehabilitation Agreement Form Outlined in Appendix V.

Section 3 – Immunization and Inoculation

In the event that the Department determines that an officer requires an inoculation or immunization as the result of exposure to a disease or illness in the line of duty, then the same immunization or inoculation will be made available to the members of the officer's household. Article 23

Article 24 **Promotions**

Promotional Process

Section 1:

Sergeant

The following minimum education and length of service are required for the promotional process to the rank of Sergeant:

- Associates Degree or minimum of sixty (60) credit hours from an accredited institution.
- Five (5) consecutive years with Cape Coral Police Department as a sworn Police Officer.

Promotions to the rank of Sergeant as covered by this portion of the Agreement shall be made as a result of a competitive process, including a written examination in conjunction with an assessment center from outside the agency. Eligibility for participating in the assessment center component of the promotion process shall be conditioned on passing the written exam with a minimum score of seventy percent (70%). The assessment center score must be seventy percent (70%) or greater in order to further proceed in the promotional process. Additionally, time in grade points assigned on the basis of one point for each year, maximum of five points, of continuous uninterrupted sworn service more than the minimum number of years of service required for the employee to be eligible for promotion shall be applied. Authorized leaves of absence, for the purpose of this Article, shall not be considered an interruption of continuous service. Time in grade points, however, shall not accrue during authorized leaves of absence. Lastly, college points based on one and one-quarter (1.25) points for every degree, maximum of two and one-half (2.5) points, attained by the employee in excess of the minimum requirement shall be applied. For promotion the composite promotional score calculated to the fifth decimal place shall be tabulated in the following manner:

1 st Assessment Center	52.5%
2 nd Written examination	40.0%
3 rd College Points - (maximum)	2.5
4 th Time in Grade Points - (maximum)	5.0

Example:

Assessment Center Score of 80%, Written Examination Score of 85%, 2.5 College Points and 5.0 Time in Grade Points $(80 * 0.525) + (85 * 0.40) + 2.5 + 5.0 = 83.50000$

Upon mutual agreement the parties will meet to discuss the Career Development program to be a part of the promotional process.

All rounding will be carried to the fifth decimal for each step of the process and overall cumulative score.

Promotions to the rank of Sergeant shall be made using the "Rule of Eight" or top 25 Percent, whichever is higher. Standard rounding rules will apply to the eligibility list; that is below .5 is

rounded down and .5 or above is rounded up. Once a list of candidates to choose from is established the list will always have at least that same minimum number of candidates to choose from provided the list still contains enough eligible candidates. The "Rule of Eight" or top 25 percent will be made available upon request once the test is certified by Human Resources Department. The "Rule of Eight" requires the consideration of the eight (8) highest ranked candidates for a given promotion and allows for the promotion of any one (1) of the eight (8) highest ranked candidates regardless of their relative ranking. The "Rule of top 25 Percent" requires the consideration of those candidates ranked in the top 25 percent of the final calculated scoring results.

Section 2:

The union may appoint a sworn subject matter expert (member of the Cape Coral Police Department) who is not participating in the promotional process to consult with the City on the development of the assessment center process as well as oversee the entire process.

Section 3:

The employee may only challenge written test questions during the written examination portion of the testing process. These challenges will be decided by the subject matter experts to include one (1) member of the union. This board shall have final authority on all challenges to written test questions.

Section 4:

After the completion of the entire promotional examination process, to include review of any challenges, a final list will be immediately forwarded to the Chief of Police or designee. The promotional list will be valid for fifteen (15) months from the date of the certification. Promotions for sergeant shall be made from the promotional list within thirty (30) calendar days of the date of the vacancy.

Lieutenant

The following minimum education and length of service are required for the promotional process to the rank of Lieutenant:

- Baccalaureate Degree
- Three (3) consecutive years with Cape Coral Police Department as a Police Sergeant. The three consecutive years will be from the date of the Police Sergeant's most recent promotional date.

All promotions to the rank of Lieutenant as covered by this portion of the Agreement shall be made as a result of an oral interview board promotion process. Eligibility shall be conditioned on passing the oral interview with a minimum score of seventy percent (70%) or greater in order to proceed in the promotional process.

Additionally, time in grade points assigned on the basis of one point for each year, maximum of five (5) points, of continuous uninterrupted sworn service more than the minimum number of years

of service in the rank of Sergeant required for the employee to be eligible for promotion shall be applied.

Authorized leaves of absence, for the purpose of this Article, shall not be considered an interruption of continuous service. Time in grade points, however, shall not accrue during authorized leaves of absence.

College points based on two and one-half (2.5) points for a master's degree attained by the employee shall be applied. For promotion the composite promotional score calculated to the fifth decimal place shall be tabulated in the following manner:

a) Oral Interview Board	92.5%
b) College points – (maximum)	2.5
c) Time in Grade points - (maximum)	5.0

Example: Oral Interview Board Score of 80%, 2.5 College Points and 5.0 Time in Grade Points ($80 * 0.925$) + 2.5 + 5.0 = 81.50000

All rounding will be carried to the fifth decimal for each step of the process and overall cumulative score.

The Oral Interview Board shall be made up of two (2) individuals selected by the Chief and one (1) individual selected by the Union of a rank greater than Lieutenant. At a minimum, one member of the interview board shall be a trained auditor for the oral interview process or be a member of the City of Cape Coral Human Resources Department.

Section 5:

After the completion of the entire promotional examination process, to include review of any challenges, a final list will be immediately forwarded to the Chief of Police or designee. The promotional list shall be valid for fifteen (15) months from the date of certification.

Section 6:

Promotions shall be made using the "Rule of Five". The "Rule of Five" requires the consideration of the five (5) highest ranked candidates for a given promotion and allows for the promotion of any one (2) of the five (5) highest ranked candidates regardless of their relative ranking.

Section 7:

Promotions for Lieutenant shall be made from the promotional list within thirty (30) calendar days of the date of the vacancy.

Article 25

Section 1 – Labor/Management Committee

The Labor/Management Committee shall discuss issues of mutual concern to the parties. These issues shall not include grievances or matters of collective bargaining.

Meetings shall be conducted on a semi-formal basis and may follow an agenda of items submitted by members of the committee to the Police Chief at least five (5) working days prior to the meeting. Meetings may be requested by either party to this Agreement. The committee shall meet in a time and place designated by the Police Chief, and the committee's recommendations shall be submitted to the Police Chief for review and comment. The committee shall determine its own rules of operation.

Article 27

Subsequently, it shall automatically be renewed from year to year, unless either party shall have notified the other in writing at least one hundred and twenty (120) calendar days prior to the expiration of the Agreement.

The parties agree that all articles will remain status quo and not be subject to reopening or further modification for any reason until September 30, 2028, unless mutually agreed to by both parties.

Section 2 – Entire Agreement

During the negotiations that resulted in this Agreement, each party had the unlimited right and opportunity to make demands and proposals regarding any subject or matter not removed by law from the area of collective bargaining. All of the understandings and agreements arrived at by the parties are set forth in this Agreement. Nothing contained in this Agreement shall constitute a waiver of Union's right to bargain over the impact of managerial decisions that impact other terms and conditions of employment.

Section 3 – Amendments

This Agreement may only be amended by a written document that is signed on behalf of the parties hereto by their duly authorized officers or representatives after negotiations mutually agreed to by the parties.

Section 4 – Savings Clause

If any article, section or provision of this Agreement is held invalid by a court of competent jurisdiction or is rendered invalid by subsequent State or Federal legislation as applied by a court of competent jurisdiction, the remainder of this Agreement shall not be affected. If such action occurs, the parties will meet and attempt to negotiate a replacement for the invalid item within thirty (30) calendar days.

In Witness Whereof
