

**WORK WILL BEGIN THE WEEK OF MAY 11, 2026, AND IS ANTICIPATED TO BE COMPLETED THIS FALL**

The Cape Coral Parkway East six-laning project is a roughly \$2.3 million construction effort to add capacity and smooth traffic flow on Cape Coral Parkway.

This will be achieved mainly by resurfacing and restriping to six lanes between Triton Court East and just west of Cape Coral Street/SE 15th Avenue.

= resurfacing & restriping       = restriping only,

The project also includes updating signals and safety features from Chiquita to Del Prado.

The contractor on this project is Ajax.
