

In case you missed it, the following are highlights from the October 7, 2026, Cape Coral City Council meeting.

Community Recognition Award: The Courts USTA Outstanding Facility

City Council and the City Manager recognize the exemplary achievements of The Courts Cape Coral. The award honors excellence in the construction, renovation, and community programming of tennis facilities nationwide.

City Recognition Award: Special Populations Florida Recreation and Park Association Innovative Programming Award

City Council and the City Manager acknowledge the exceptional accomplishments of Cape Coral's Frieda B. Smith Special Populations Center. This recognition honors the center's Talk Space Support Group, a program designed to provide accessible grief support.

Council Approves Development of GIS-based Surface Water Digital Management System

Council approved Resolution 255-26, authorizing the City to enter into a contract with Kimley-Horn and Associates, Inc, for the development of a GIS-based Surface Water Digital Management System. An updated system is needed to enhance efficiency and long-term maintainability. This system will streamline field inspections, swale and culvert evaluations, and real-time data synchronization.

Council Approves Construction for Northeast Booster Station Project

Council approved Resolution 257-26, certifying the construction of the Northeast Booster Station, located at the northeast corner of the Yellow Fever Creek Preserve. The project includes irrigation storage tanks and stormwater facilities to support irrigation water service in the northeast portion of Cape Coral.

Council Approves Design for Weir 15 Replacement Project

Council approved Resolution 259-26, establishing the design price for the Cape Coral Weir 15, located at Burnt Store Road over Shadroe Canal. Deficiencies at Weir 15 require immediate action to prevent further deterioration and reduce the risk of structural failure. The project includes temporary repair design and permanent replacement of Weir 15.

Upcoming Public Meetings

A Committee of the Whole meeting is scheduled for Wednesday, October 14, beginning at 9 a.m. in Council Chambers.
