1.) **Uniqueness of vendor's item/service. How is this vendor the only vendor uniquely qualified to provide the product or service:** As the sole owner and exclusive provider of this technology, Klir is uniquely positioned to offer a Unified Water-Related Operating System. This technology stands uniquely in its field, as corroborated by a comprehensive legal search.

2.) **Market Research. Describe other, similar sources or products available in the market, if any, and why they are not acceptable:** Other products are available on the market, but no other products match the catalog of services offered by the Klir software platform.

3.) **Proposed Actions. Describe the actions the department will take to overcome the present barriers to competition for any future acquisition of this product or service:** We will continue to stay informed of advancements in emerging technology and available components, processes, and equipment capable of meeting the needs of utilities and the community and include evaluations of different manufacturer's products as appropriate for future projects.
