BLDS25-000131	Applied: 3/18/2025 Issued: Expire:	Stormwater: Driveway/Resod	Stormwater: Driveway Replacement / Addition	PERMIT VOIDED - Doug Banes of 4312 NW 27th St is seeking a culvert extension to the current catch basin at west end of his property line. Current culvert is clogged, overgrown and causing water to back up and not drain. Customer wants the new culvert extension to be backfilled, graded to slope from the house and match the grade of the roadway. This will eliminate the ditch and water will flow underground to the discharge end. Another option is a concrete gulley running from the culvert in front of his driveway to the catch basin at the end of the property.
