- FEMA Packet and/or Elevation Certificate
- Eagle Management Affidavit

Owner/Builder Documents

- Owner/Builder Affidavit

Private Provider Documents

- Notice to Building Official of Use of Private Provider

Review

- Floodplain, if applicable
- Environmental, if applicable

Inspections

- Notice of Commencement, if applicable
- Roof Dry-In
- Sheathing Affidavit, if contractor
- Sheathing, if owner/builder
- Ridge metal/vent install & 90#, if applicable
- Roof Final
- Debris, if using private provider
- PP Compliance Report, if using private provider

Additional Notes

This guideline is used when the final product being installed is shingle or metal.

For a flat only re-roof, see the "Roofing Various" guideline.

For a re-roof from shingle or metal to tile, see the "Roofing Various" guideline.

Private Provider for Plans Review is not permitted for this permit type, as there is no review.
